History

Welcome to Green Isle Tours – a family-run travel agency based in the heart of beautiful Sri Lanka.

For over 10 years, we've been creating unforgettable journeys across the island, offering unique, tailor-made experiences that go beyond the typical tourist trail. Whether you're a solo adventurer, a couple on your honeymoon, a family looking for fun and discovery, or a nature lover craving connection with the wild – we're here to craft your perfect Sri Lankan escape.

What makes us different? We believe travel should do good. That's why we're committed to supporting local communities, working closely with small businesses and guides, and promoting sustainable tourism that helps preserve the island's culture and natural beauty. With every trip, we aim to give back to the place we call home.

Let us show you the real Sri Lanka – the warm smiles, hidden gems, lush landscapes, and rich traditions – all through the eyes of those who know it best.
